Please list your pre-requisites (It is required to have 50 hours of instructed study in conscious dance* practices. Of these, at least 15 of those hours must be Open Floor Movement Practice). If you have not completed them, please list your plan for completion before the Immersion begins.

(*Conscious Dance Practices include: Open Floor, Soul Motion, 5Rhythms, Movement Medicine, Freedom Dance, Azul, Tamalpa Life/Art Process, Continuum, Laban/Bartenieff Movement Studies. Let us know if there's another conscious dance practice you have studied that you would like us to consider.)

How many hours of Conscious Dance have you studied? (classes or workshops)

Of these hours, how many hours have you studied with an Open Floor teacher?

What inspires you about Open Floor Movement Practice that has motivated you to apply?

What are you hoping to learn in this immersion that would positively influence your life? If you are applying to incorporate Open Floor Movement practices and principles into your current work or service to others, what is this work and how do you imagine Open Floor Practice weaving in with it?

If we were to witness your dance, what strengths would we see clearly in your embodiment practice and in what ways are you seeking growth?

What strengths do you bring to a learning community?

What ongoing physical limitations/injuries/illnesses do you have to work with when you dance?:

Please be aware that we honor diversity of all kinds. Are there areas of learning where you might need extra support so we can plan to make appropriate accommodations?

What else is important for us to know about you?
